About Little Foxes Forest School

Little Foxes Forest School is an outdoors preschool that offers children the chance to connect with nature and become confident, resilient and independent learners. We believe that children are never happier or healthier than when playing outdoors. It is our aim to allow children growing up in Bristol access to a beautiful and natural woodland environment for them to grow, learn, explore and develop in. We care for and educate children aged from 2.5 to 4, following the core Early Years Foundation Stage (EYFS) curriculum. Exposure to the natural world and physical activity are an integral part of learning.

Our Ethos

Little Foxes Forest School was established to provide an experience like no other available for Pre-School children in North Bristol. It was founded and run by ex-primary school teachers and local mums who have seen first hand the incredible benefits that learning outdoors can have on children. We have created a world where children are inspired by nature to live a simple and naturally healthy lifestyle, where children have the time and space to enjoy and learn from the natural world around them.

Little Foxes welcomes children from all backgrounds and is pleased to offer government funding for the full hours we open. We will help children achieve their maximum potential in life by helping to develop their characters to give them the tools they need for a happy and successful life - confidence, resilience, self-motivation, enthusiasm, independence and an insatiable curiosity about the world.

We strive for constant innovation to ensure we are committed to offering the best known practice in educating children and are passionate with an outdoors, child-led, play-based happy and healthy environment. We see ourselves as inspirational educators offering an incredibly fun and learning-rich experience for children. Our staff are inspiring, passionate advocates of the lifestyle we promote. We include our staff in the running of Little Foxes Forest School as they aren't just our employees, they are part of our team and are our ambassadors.
